RESPONSE

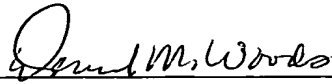

The Notice of Incomplete Reply (Nonprovisional)-Filing Date Granted- indicates that the original declaration which we included with the Notice to File Missing Parts dated 12/17/2001 was missing.

Since the original of the signed declaration was enclosed with the Notice to File Missing Parts dated 12/17/2001, we are now enclosing a copy of the signed declaration in compliance with 37 CFR 1.63, identifying the application by the above Application Number and Filing Date. We are also enclosing a copy of the transmittal letter dated January 2, 2002 and a copy of the return postcard date stamped by the U.S. Patent and Trademark Office indicating receipt of the Declaration and Assignment.

The Notice of Incomplete Reply (Nonprovisional) dated 3/15/2002 also states that "The filing date of this nonprovisional application will be the date or receipt of the items required above." However, a filing date has already been granted, and any adjustment would appear to be contrary to the provisions of 37 C.F.R. §1.53(b)(1). Clarification is requested.

Please advise the undersigned if anything further is required of us.

Respectfully submitted,
